### The Howard 100 News

Here are some of the stories The Howard 100 News Team is working on for today's broadcasts:

- Stuttering John Melendez appeared on the MrMedia.com internet radio show yesterday and claimed that he has not yet heard if he will be following Jay Leno to his new 10pm show on NBC. John says he assumes he is going in some capacity, but he's doing standup and building up his website just in case. Plus, John told the story of meeting Billy Crystal backstage at the Tonight Show, this after John famously infuriated Crystal during his Stern Show days. John claims Leno told him to just avoid Crystal when he was booked on the Tonight Show, but Robin Leech happened to be on set that day and pulled Crystal into the makeup room to talk to Melendez. John says he then apologized to Crystal for his past behavior, and Crystal said, "yeah it was weird because it was my movie premiere."
- Howard 100 News blows the lid off the fake Facebook controversy that has nagged Robin Quivers for months. It turns out the fake Robin Quivers Facebook page has been operated by a 15 year old teenager from Pennsylvania. The teen has made contact with Gilbert Gottfried, Chris Booker and Stuttering John Melendez through the fake page. Stay tuned to the exclusive interview with the controversial teen.
